Affidavit on criminal integrity and medical&psychological eligibility to work in the host organization

As an interested person/potential volunteer in,I am willing to truthfully answer following questions which determine the terms of the organization for admission into the voluntary service.

I declare on my honor that:

- I have not been criminally prosecuted either investigated yet and I am not criminally prosecuted either investigated now
- I have not been distributing narcotics and I am not distributing them now
- I am physically and mentally competent for a work at organization and I do not suffer from any disease or disorder that could threaten the participants entrusted to me or the performance of the agreed activities,
- I further declare that I am not addicted on any narcotics.

I sign this affidavit voluntarily, not in distress.I am aware that the concealment of the above facts is a serious violation of the conditions of entry of the volunteer into direct contact with clients of the receiving organization.
