

Affidavit

I declare that I am interested in volunteering and therefore I am willing to answer questions by which Bonum makes acceptance for doing this volunteer activity.

I declare that I am physically fit to perform volunteer activities consisting in direct work with children/seniors in a range..... weekly for a time period of

I declare that I am — I am not currently in psychiatric care.

If this is the case or was in the past, I will notify this fact individually to the program lecturers. (confidentiality from the part of the lecturers is a matter of course) and I undertake to consult with this expert on the appropriateness of engaging in direct work with children.

I declare on my honor that to this day:

- I have not been penalized or investigated with regard to the abuse of minors,
- I have not been penalized or investigated with regard to the sexual harassment,
- I have not been penalized or investigated with regard to the abuse of persons or animals,
- I have not been ordered no psychological, psychiatric or sexuological treatment.

I sign this affidavit voluntarily. I am aware that the concealment of the facts above is a serious violation of the conditions of entry of the volunteer into direct contact with the child in the receiving organization.

The data serve only to protect the child and his family and to protect the volunteer himself/herself. I agree that the above data will be a part of my personal file maintained at Bonum in accordance with valid legal standards.
